GRADE SHEET: Language Arts (1st - 4th)

INSTRUCTIONS: Listed below are some *suggested* categories in which to grade your child. Choose the ones appropriate to your study and record one or more grades per week. We would encourage you to *add* or *omit* categories which reflect your family's homeschool.

STUDENT: _____

QUARTER: _____ GRADE _____

DATE: From _____ to _____

										Total	Divided by no. of entries	Individual Averages	Subject Averages
Spelling Daily work													
Spelling Tests*												*	
Phonics Daily work													
Phonics Tests*												*	
Grammar Daily work													
Grammar Tests*												*	
Book Reports													
Oral Reading**													
Reading Comprehension**													
Penmanship**													

Follow these steps to compute your **Subject Averages**:

1) Multipy the test average by 2; add the daily average and exam; divide by 4
2) If no exam, divide by 3
3) Record in last column; repeat process

Follow these steps to compute your **Final Average:**

1) Add all subject averages together; divide by number of entries
2) Round to nearest whole number; record in box

Final Average _____

* Test averages count double. ** Transfer individual averages from Penmanship and Reading Grading sheets.
