

High School Enrollment Application

If the student is entering CHC's High School program, the following information is required.

Please submit a transcript for any high school work, *grades nine and above only*, completed prior to CHC. If the student was homeschooled and has no *official* transcript, a family-made transcript may be submitted. Compile a list of subjects studied, arranged by high school year; include the name of the text and the publisher, and the final grade earned. If the text was not completed or if the course was less than one full year, this information should be included. Previous transcript information will be used to determine the number of high school credits earned and the GPA, as well as the appropriate course of study henceforth.
