

# GRADE SHEET: Kindergarten Penmanship

INSTRUCTIONS: Listed below are some suggested categories in which to grade your child's penmanship. Write the page number in the column above the categories; then award points according to the number possible. Since there are 100 possible points in all, your daily tally will yield a percentage grade.

STUDENT: \_\_\_\_\_

QUARTER: \_\_\_\_\_ KINDERGARTEN

DATE: From \_\_\_\_\_ to \_\_\_\_\_

Page:																		
Letter Formation (30)																		
Ability to stay w/in lines (10)																		
Spacing (10)																		
Accuracy in Copying (20)																		
General Neatness (30)																		
Grade:																		

Add all your grades together and divide by the number of entries to obtain the Course Average.

Course Average

Follow these steps to compute your <b>Final Average</b> : <ol style="list-style-type: none"> <li>1) Multiply the <b>Course Average</b> by 3</li> <li>2) Add the <b>Progress Page</b> grade</li> <li>3) Divide the result by 4</li> <li>4) Round to the nearest whole number</li> </ol>	_____ <b>X3</b> _____ _____ _____ _____ <b>Final Average</b> <span style="border: 1px solid black; display: inline-block; width: 40px; height: 20px; vertical-align: middle;"></span>
