

The worksheet is designed to teach the formation of the letter 'M'. It features several sections:

- Stroke Order Diagrams:** At the top, there are four examples of the letter 'M'. The first is a solid outline. The second is a dashed outline with numbered arrows (1, 2, 3, 4) indicating the stroke order: 1 is a vertical line down on the left, 2 is a diagonal line down from the top left to the center, 3 is a diagonal line down from the top right to the center, and 4 is a vertical line down on the right. The third is a dashed outline with numbered arrows (1, 2, 3) for the lowercase 'm', showing a vertical line down followed by two humps.
- Tracing Illustrations:** Below the diagrams are three dashed-line illustrations for tracing. The first is a mermaid, with the label "mermaid" below it. The second is a crescent moon with a face, with the label "moon" to its right. The third is a mouse, with the label "mouse" to its right.
- Handwriting Practice Line:** At the bottom, there is a set of three horizontal lines (top, middle, bottom). A dashed uppercase 'M' is on the left, and a dashed lowercase 'm' is on the right, both positioned between the middle and bottom lines.
