

## ***Mack Jumps In***

Mack found something. "It must be a toy," he said. "It must be for me from Muffin. I can play a game with it."

Mack walked around the thing. He walked one way and then the other. Next Mack ran at it. He ran fast, and he jumped over it. Then Mack said, "I can jump into it. That will be fun!"

Mack ran fast, and he jumped hard. All at once the thing went pop! "This is not my kind of toy," said Mack. "I think I will give it back."
